

Patient Portal Instructions

Please keep this page for your reference

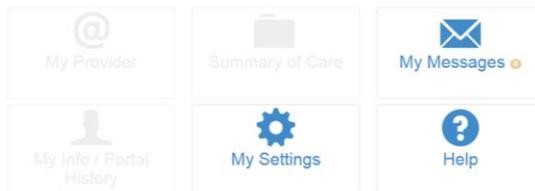

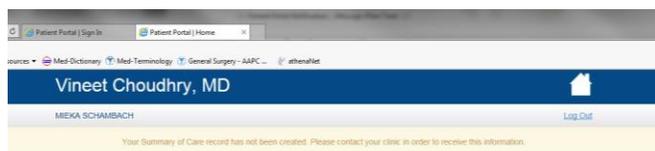

- You will receive an email from portal@sevocity.com, this email will contain a link to the patient portal website. Please check your junk folder if you cannot find this email.
- If you cannot find this email, please go to the following website:

<https://www.medicalofficeconnect.com:8444/PatientPortal>

- Once you click on the link, you will need the following information:

Username: (the email that you provided the office at time of scheduling)
Password: "password"

- You will then be sent to the home screen of your portal, which looks like this:

From here you can:

Send messages
Cancel appointments
Request a refill
Send us an address update
Along with many other inquires
